Dear Mr Alex,

Letter of Appreciation

I would like to express my sincere gratitude and appreciation to you for conducting an engaging and meaningful workshop for Mulberry Learning Centre @ Tanjong Pagar teachers entitled "Strategies in Managing Children with Special Needs". The strategies you shared have been very helpful in supporting the needs of our children in the Centre.

Moreover, I would like to commend you and the Nurture Pods team of educators for efficiently supporting Mulberry @ TP team in implementing the curriculum and programme specially designed for learner with special needs. The assistance you provided and the patience demonstrated by your educators in carrying out the programme and activities were tremendously remarkable and these were highly appreciated by the parents and the teachers. Your team's passion and dedication maximized the potential of the child under your programme, thereby enhancing his over-all development.

We hope that you continue your great work in teaching young children.

Sincerely,

Ms Marie
